Dear Parent

This is to inform you about the admission procedures for the upcoming academic year 2023 – 2024.

The admission portal for Indian Schools is enabled for online registrations from 1st February 2023 till 28th February 2023. The online registration form is meant for Indian Nationals seeking new admissions in Indian Schools in the capital area for the academic year 2023-24.

The online registration form link is given below:

Kindly go through the following instructions before filling up the online registration form:

- Online registration is mandatory. There is only one application form required for one child; the system will not accept any duplication.
- A unique login registration number and password will be generated on submission of the application form. This will be sent to the email address and mobile number given in the application form.
- A non-refundable processing fee of OMR 15/- will be payable on each application.
- Online registration form is required even for sibling's admission. To get the sibling preference in the same school, parents should essentially choose the same school as the first option while filling the registration form.
- Parents seeking inter-school transfers of their wards within schools in the capital area are required to send an email to admissions2023@indianschoolsoman.com with an attachment of the duly filled [Inter-School Transfer Application form](#).
- Parents who are seeking admission for their differently-abled children may please approach the Care and Special Education located on the premises of Indian School Muscat.
- Parents of other nationalities seeking admissions in Indian Schools in the capital area are required to send an email to admissions2023@indianschoolsoman.com with an attachment of the duly filled [Application for Unique Number](#).
- For admissions to classes X and XII, you are required to approach the school directly. However, for Class XI, online application facility will be enabled after the Class X Board results.
- Kindly note that at the time of admission, a student must have obtained the Oman residence card.

In addition to the above mentioned points from the BoD, our school would like to collect the data of siblings seeking admission to the school in the academic year 2023-24. If any parent intends to admit his/her ward, who is **a sibling to a student of ISAS and is presently studying in another school or as a new admission to classes (KG I-IX) for academic year (2023-24)**, you are requested to furnish the details of the sibling using the link given below latest by Tuesday, 7th February 2023:
